If your mail is delivered to a Post Box or to an address in another town, could we know your Lyme street address for our records?

Please mail this form and your check to Lyme Conservation Land Trust, PO Box 1002, Lyme CT 06371

General Fund

Membership dues and donations not designated for a specific fund are deposited in the general fund. It is used when we participate in the acquisition of new properties as well as to pay our general operating expenses and stewardship costs.

Rufus Barringer Resource Education and Protection Fund

Created in 2004 in memory of Rufus Barringer, long time President of the Lyme Land Conservation Trust. The initial funding was through a generous donation by Rufus' wife Charlotte. Donations to this fund are used specifically for education programs or programs that protect or enhance resources on LLCT properties.

Memorial Donations

A donation in the name of a deceased loved one or dear friend is a wonderful way to pay tribute. Personal letters acknowledging the donation are sent to the family members by the President of the Trust. The donation unless specified will go into the General Fund.
