Baby Forest Animals Search

Honey Hill Preserve
Clark Rd., Lyme CT

Find the six baby wildlife figurines at the purple and red dots (bear, beaver, fawn, coyote, skunk, fox).

Connect the red dots to make an X to find the owl at the center.

Take photo(s). We'd love to see them. Email Sue.Cope@lymelandtrust.org. Please do not remove the figurines. Leave them for others to find.

Directions from Old Lyme:

From the Halls Rd (Rte. 1)/Rte. 156 traffic light, travel north to the end of Rte. 156 (8.3 miles). Take a left onto Rte. 82. Travel 2.1 miles. Take left onto Clark Rd. The pull-in parking lot is about 1/4 mile in on the right.
