

Curiosity Shop 2025
Outdoor Adventures with the Lyme Land Trust

April 22, Week 1: What lives in the Eightmile River? Using a seine net and little nets, get a close up look at some of the cool live creatures that live in the river and learn about their adaptations.

Pat Young, Abby Bernstein, and Rich Sanders, Eightmile River Wild and Scenic Watershed Committee. Helpers: Wendy Hill, Lyme Land Trust (LLT), Lisa Brown and Lily Felix, parent volunteers.

April 29, Week 2 : Exploring the moon. Learn about the phases of the moon. Get a close up look at a real telescope and then use it to peer at the moon and planets!

Lyme Land Trust Astronomy Program-Alan Sheiness and Jon Dean. Helpers: Wendy Hill, LLT, Lisa Brown and Lily Felix, parent volunteers.

May 6, Week 3: Learn about seeds and how they grow. Then learn how to plant them. Plant native plants in the Lyme Library Meadow. Birgit Musheno, LLT, and Wendy Hill, LLT and Lyme Pollinator Pathway (LLP). Helpers: Diana Fiske and Tink Willauer, LLP, and Lisa Brown, parent volunteer.

May 13, Week 4: Safari! Signs of Wildlife. Go on a scavenger hunt adventure. Explore the area and see what we find. Kristina White and Rich Sanders, LLT. Helpers: Wendy Hill, LLT, Lisa Brown and Lily Felix, parent volunteers.
